Invest in a Creative Future

The Song Room is a national not for profit organisation that brightens the futures of Australia's most disadvantaged children with tailored, high-quality music and arts programs, delivered in partnership with schools across the country.

Our vision is that all Australian children have the opportunity to participate in music and the arts to enhance their education, personal development and community involvement.

Our programs are specifically based on research to improve educational and social outcomes and to help schools create and continue their own music and arts programs.

But we can't do it alone.

By giving to The Song Room you can help some of Australia's most disadvantaged young people to get the start they need in life.

Make a monthly donation

By committing to a monthly donation you can ensure that The Song Room can plan ahead to reach as many children as possible.

- ▶ **\$20 per month** can connect a school to a live performance, often being the first exposure these children have to live performing arts
- ▶ **\$30 per month** can provide percussion instruments for a school for children to express themselves through rhythm
- ▶ **\$50 per month** can provide training for a teacher in a remote school to deliver an arts program in their classroom
- ▶ **\$100 per month** can assist a school community to stage their very own creative performance

Make a general donation

- ▶ **\$80** will enable one child from a disadvantaged background to participate in The Song Room program for six months
- ▶ **\$150** will support two sick children and their families by helping them participate in an ongoing workshop at a children's hospital
- ▶ **\$500** will help a school attend their first ever live performance
- ▶ **\$1,000** will give five schools a set of instruments to keep

Kids need creativity to grow
